

*Welcome !!!*

ISEST-2018 / 16<sup>th</sup> HAC

# BRIEF ISEST HISTORY

- kick-off meeting of the ISEST program: June 2013, Hvar, Croatia
- four groups were defined, which became a backbone of the ISEST program:
  - ✓ WG1: Data
  - ✓ WG2: Theory
  - ✓ WG3: Simulation
  - ✓ WG4: Event Campaign

Later on, three more groups were added: WG5 Bs Challenge, WG6 Solar Energetic Particles, WG7 MiniMax Campaign

# BRIEF HAC HISTORY

- every 2nd year since 1979 (SMY) + several in between + several IAU Colloquia
- initial idea: small informal “hands-on” workshops, alternating solar/stellar

2016, Hvar/Loggia

- nowadays, mainly solar meetings, not anymore small (50-80 participants)

*Enjoy !!!*
